MEMORANDUM AND ORDER

DOUGLAS F. EATON, United States Magistrate Judge.

On October 18, 2007, I held a settlement conference with the parties. They reached agreement on certain principles but needed time to negotiate a complex mechanism to effectuate those principles. On October 19, 2007, on consent, I entered a 60-day Order of Discontinuance, which provided that "on or before December 18, 2007, the plaintiff may apply to Magistrate Judge Eaton by letter (by fax and by mail) for restoration of the action to the calendar if the settlement is not effected, in which event the action will be restored to the calendar of the District Judge, and plaintiff shall then have five business days to inform the District Judge whether plaintiff chooses to dismiss the non-diverse defendant Francesca Souza."

On December 12, 2007, defense counsel faxed me a letter requesting me to extend the deadline for restoring the case until January 31, 2008. On December 13, 2007, at my direction, my law telephoned Ms. Scanlon and Mr. Cahill and advised them that, at that stage, I was extending the deadline only until January 10, 2008. On January 10, 2008, I received a faxed letter from plaintiff's counsel; on January 14, I held a telephone conference with Ms. Scanlon and Mr. Cahill. Ms. Scanlon noted that both sides have made progress, but that communications with her client have been disrupted by the civil unrest in Pakistan. I hereby grant the full extension as requested on December 12. I extend the deadline until January 31, 2008, for plaintiff to apply for restoration of the action to the calendar if the settlement is not effected.
